Processes, terms, conditions, and other information:

- 1. Chapter qualification:** To enroll in this program, a DECA chapter must order and pay for one electric bicycle to be used for demo purposes.
- 2. Student qualification:** To be in this program, the student must be a member of a qualified DECA chapter and a student attending an accredited high school.
- 3. Sales literature and product information:** Currie will provide the appropriate sales literature and other sales tools. All literature used by the Chapter or student in selling or representing the Currie products must be approved in writing by Currie.
- 4. Product representations:** Product specifications and product performance claims cannot deviate from those specifically approved by Currie or shown on the Currie technologies web sites.

5. **Ordering product:** All orders are input through the Currie Technologies web sites (www.curriotech.com). A special web portal has been established for your convenience.
6. **Test ride:** To test ride a Currie Technologies electric scooter or electric bicycle, a Waiver Release Form must be read, completed, and signed by the rider.
7. **Commission payments to Chapter:** Commissions earned by the Chapter(s) will be paid by no later than the 15th calendar day of each month. Commissions paid on product that is subsequently returned will be deducted from future earned commissions.
8. **Winning free electric scooters or free electric bikes:** Currie will track the sales generated by each student. When a student sells the amount required to qualify for a free electric scooter or free electric bike, Currie will contact the student via email and request the shipping address to which the award is to be shipped.
 - **Free electric scooter:** Upon qualification, the student will be awarded EZ-500 model electric scooter or equivalent model.
 - **Free electric bicycle:** Upon qualification, the student will be awarded an electric bicycle that has a retail price equal to that which is closest to the average sale generated by the student.
9. **Prices:** Prices are subject to change at the sole discretion of Currie Technologies. Purchases under this program cannot be combined with any other offers or discounts.
10. **Product Specifications and availability:** Product specifications and availability are subject to change without notice and at the sole discretion of Currie Technologies.
11. **Installment payment plan:** Product purchases made under the installment payment plan are subject to credit verification by Currie Technologies. In the event of any default on any scheduled payments, penalties and interest will apply.
12. **Returns, Credits and refunds**
 - **Damaged or Defective Items:** If you receive a damaged or defective item, contact our Customer Service Department within 10 days of delivery at (877-284-2453). Please be prepared to supply the order number and item number from your original confirmation e-mail, as well as your e-mail address and phone number. Currie Technologies will make every reasonable effort to assist you by either providing replacement parts or technical assistance to solve the problem. In the event that the damaged or defective product must be returned, we will assist with shipping arrangements. If you do not contact Customer Service within 10 days, in the event that the product needs to be returned, you will be fully responsible for all return shipping charges.

Important Notice

If there is significant visible damage to the carton upon receipt, request that the driver note the damage and request a claim be filed with the carrier for damage. You should also immediately contact a Currie Customer Service representative at **(877-284-2453)**. Please have your order number available when you call.

- **Credit or Refund:** You can expect a credit or refund, less a 15% restocking and handling fee, in the same form of payment originally used for purchase within 30 days of our receiving your returned product back complete and in good and unused condition. You will be refunded the full amount of the purchase price, including the shipping cost, only if the return is a result of a manufacturer defect or a shipping error on our part.
- **Returning an Item:** If you want to return an item, please follow the steps shown on our web site at www.curriotech.com.

13. Warranty: Currie Technologies' warranties are item-specific and only offered to the original purchaser of the product. Please refer to the Warranty policy shown on the Currie Technologies web site (www.curritech.com)

Currie Technologies, at its sole discretion, has the option of replacing with a new part, or factory re-certified part. The Limited Warranty stated herein is in lieu of and expressly excludes all other warranties not expressly set forth herein, whether expressed or implied by law or otherwise, including, but not limited to, any warranties for merchantability and/or fitness for any particular purpose. Currie Technologies shall in no event be liable or responsible for incidental or consequential losses, damages or expenses in connection with their products. The liability of Currie Technologies hereunder is expressly limited to the replacement of goods complying with this warranty or at the sole discretion of Currie Technologies to the repayment of an amount equivalent to the purchase price of the product in question.

14. Parts and Repairs: Please Currie Customer Service directly with any parts and repairs questions at (877-284-2453).

15. Shipping Methods and Costs: Depending on the item(s) you purchase on our site and the location to which the items will be delivered, different shipping methods may be available. Each shipping method has its own restrictions and charges that will be applied to your order. Complete charges and shipping methods are available on our web site at (www.curriotech.com)

16. Tracking Your Order: When can you track your order? When your product ships from our warehouse, tracking numbers are assigned to your packages. However, it may take up to 48 hours or longer before the package is checked into the carrier's tracking system. That means even though your package has already shipped from our warehouse and is on its way to you, the carrier may not be able to provide any information about your package for up to 48 hours or more.

17. Finding Your Order Status: The status of your order is easy to find. First, check your e-mail. You were required to enter an e-mail address during Checkout; you will receive e-mails at your address keeping you up-to-date about the status of your order, or contact our Customer Service department at 877-284-2453.
